Sir:

RESPONSE TO RESTRICTION REQUIREMENT

In a restriction requirement dated February 20, 2002, the period for response to which extends through March 20, 2002, the Examiner required restriction under 35 U.S.C. § 121 between:

Group I - Claims 1-7 characterized by the Examiner as being drawn to a system for capturing information about objects moving relative to the system wherein the object dimension information, object identification information, and electronic images each have a time stamp information associated therewith;

Group II - Claims 8 and 9 characterized by the Examiner as being drawn to an intra-facility system for capturing, storing, and accessing object information comprising a server for storing and accessing the object information from one or more object information system; and
